

# Godwin Band Varsity Jacket

There were a few inquiries during fee day, about the availability and ordering of Varsity Jackets for band members. For those interested, these can be ordered online through the Neff Company. The jacket appears below. There are options for add-ons; but the jacket, as priced, includes one line of embroidery on the front right chest, GODWIN BAND on the back, and the graduating class year on the left sleeve. Details are on the website's ordering page.

To access the website, go to [neffco.com](http://neffco.com). Scroll to the bottom of the title page. Under the option labeled "Quick Clicks," select Varsity Jacket Shop. Once in the "Jacket Shop," login for the Godwin Band jacket using the password **036289**. Please note, you will not find it by selecting *Virginia*; as we are not listed under our state.

The base price of the Jacket is \$195.00. Purchasing one is absolutely NOT required! This is not a fundraiser for the band in any way. All monies are payable to the Neff Company, and no proceeds come back to the school, the band or the band boosters. The Neff Company offers to sew on "customer property" for a fee, but any letters or patches must have originated from Neff. Our varsity letters are purchased locally, and are not from the Neff company.

The Jacket as it appears on the Neff Company Order Page

Questions about the jackets can be answered on the Neff website, or by calling them directly at (800) 232-6333. For assistance accessing Neff, or with general spirit wear questions, please contact parent volunteer Valerie Powers at [bostonpowers@verizon.net](mailto:bostonpowers@verizon.net) or (804)527-2877.
