1. Approval of Minutes: Minutes posted to website and voted on to approve.
2. Financial Report (Lynn Medley): Deposits about \$842, expenses about \$30. \$29,192 Balance includes \$8,594 of student account money. About \$600 of that is money left over from students no longer in band and that money will go into the general fund. No check received yet from Einstein from spirit day before Christmas break. No check yet received from Sports Page, but that event was not well attended. Kroger Card income is quarterly and has improved.
3. Committee Reports
  - a. Membership (Amy Terhune): No report
  - b. Equipment/Trucks (Rich VSP): No Update at this time. Truck ran well for District Band.
  - c. Fundraising aka Ways and Means (Angela Kenyon): Sports Page spirit night not well attended. Feb 16th kicks off cookie dough and flag sales. Proceeds go to the general fund.
  - d. Hospitality (Marilynn Estes): Indoor show coming up. Judges lounge is hosted by hospitality committee. We expect 10 to 12 judges and officials to host. Need 1 to 2 people to help co-chair. Also will need volunteers for judges lounge as well as food donations. Discussion occurred regarding combining sign up genius. May want to keep it separate in order to ensure there are not a lot of people going in and out of the room in order to keep the room quiet.
  - e. Chaperones (Michele Matthews): Spring trip coming up. Meeting with Chorus chaperones after tonight's booster meeting. Need to do room assignments and will need to know if chaperones do or

do not want to chaperone their own children. By March meeting chaperones will know who they are chaperoning. Also, drum line will need chaperones for 2 trips coming up.

- f. Indoor Show March 7 (Tim Estes and Anne Urenda):  
Coordinators meeting this Thursday at 7pm at the Martin's community room on John Rolphe Parkway. Registration packets need to be put together and a few more people are needed to help with that. More help also needed for tickets, hospitality. We encourage people to attend this meeting and learn more about the indoor show. Michele volunteered to help the week before possibly with registration packets. Vicky (concessions) may need to some more volunteers for cooking help ahead of time. The ingredients have been purchases, but helpers are needed to cook the items.
- g. Newcomer's Liaison (Mary Susan John): No report.
- h. Band Director (Mr. Auman) District band event at New Kent High School was last weekend. It was standing room only. Three different bands performed. We have a large number of kids (12) that will be auditioning for all state at JMU on February 28th. Parent drivers will be needed. Mr Auman prefers that students not drive. Departing from GHS at 5am for 8am registration. Mimi Rawson offered to drive. NYC trip final payment tally has been completed. Mr. Auman did give the information to students, however most have not passed this information onto parents.

#### 4. Old/New Business

Tim made a Motion to provide \$100 mileage reimbursement to pick the AIA trailer. Motion seconded by Mimi Rawson. Voted on and passed unanimously. Still need a volunteer to make that drive. Driver will need a hitch and light kit. Pick up will be late on Saturday night (around 10 or 11pm). Sunday morning equipment will need to be moved into the building.
